EXPERIENCE

DATA ANALYST • AUGUST 2022 – JANUARY 2024
SWEETPIXELS LLC • SCOTCH PLAINS, NJ

- Collecting and cleaning data, creating reports and projections using Excel and Tableau, to plan and optimize work processes, which save the company up to 25% of assets.
- Maintain clients, projects and contract workers database in Postgres to ensure smooth workflow and deadline meets.
- Developing and ongoing support of interactive Daily Profit and Loss Chart using Snowflake and Streamlit App.

3D GENERALIST • SEPTEMBER 2015 – JULY 2022
SWEETPIXELS LLC • BROOKLYN, NEW YORK

- Streamlined 50 % of all art processes, workflows and pipelines with content and tools teams.
- Refined, changed and optimized art in collaboration with lead artists.
- Delivered final assets according to project deadlines while maintaining consistency in quality across all deliverables. Optimized 3D assets for efficient real-time rendering performance.
- Developed multimedia presentations and other collateral for use in different products, presentations and production works.

LEGAL SECRETARY • FEBRUARY 2013 – AUGUST 2015
LAW OFFICE OF OLGA SKLYUT • BROOKLYN, NEW YORK

- Systemized meticulous diary entries, journals and statistical data (more than 10K records).
- Coordinated delivery of legal correspondence to clients, witnesses and court officials.
- Maintained 100 % client files by ensuring proper organization and accessibility of all relevant materials.
- Ensured accurate filing of legal documents both physically and electronically.
- Assisted with daily case management and preparation, organizing exhibits and files for senior legal staff (35 + daily cases).

IT SUPPORT SPECIALIST • SEPTEMBER 2005 – APRIL 2012
CROMTEL INC • VITEBSK, BELARUS

- Diagnosed and resolved technical hardware and software issues for 6+ years.
- Arranged equipment for employee use, ensured proper installation of cables, operating systems and appropriate software.
- Proved exceptional service to 25+ customers, listening to concerns and addressing them promptly, increasing overall productivity by 20%. Guided users with troubleshooting using diagnostic tools.
