

LIUBOU USHAKOVA

DATA ANALYTICS | DATA MANAGEMENT

Scotch Plains, NJ 07076 • 646-942-3333 • liubou.ny@gmail.com • <https://liubouny.github.io/>
<https://www.linkedin.com/in/liubou-ushakova-7b4716a2/>

SKILLS

- SQL (PostgreSQL, MySQL, Snowflake SQL)
- Tableau (Dashboards, Reports, Visualizations)
- Python (Pandas, Matplotlib, Seaborn)
- Microsoft Excel (VLOOKUP, Pivot Tables, VBA)
- Snowflake SaaS (Data Warehouses, Databases)
- Adobe Photoshop (Visualization)

EXPERIENCE

DATA ANALYST AUGUST 2022 – AUGUST 2024
SWEETPIXELS LLC SCOTCH PLAINS, NJ

- Developed data visualizations and presentations that supported decision-making and performance monitoring, resulting in a 20% reduction in asset losses through the evaluation and optimization of production processes.
- Collected, cleaned, and processed data using Python, SQL, and Snowflake, significantly improving data quality and accessibility.
- Managed client, project, and contractor databases in Postgres, ensuring seamless workflow and on-time project delivery.
- Designed and maintained an interactive Profit and Loss Chart using Snowflake and Streamlit, enabling real-time financial tracking.
- Built interactive dashboards in Tableau, pulling data from Snowflake, and providing actionable insights to business stakeholders.

3D GENERALIST SEPTEMBER 2015 – JULY 2022
SWEETPIXELS LLC BROOKLYN, NEW YORK

- Streamlined half of workflows and processes by developing data-driven solutions in collaboration with cross-functional teams, optimizing efficiency and resource allocation.
- Detected inefficiencies through performance data analysis and created Python scripts to enhance animation, rigging, and pipeline workflows. Collaborated with lead artists to refine processes, achieving a 20% improvement in asset quality and a 10% faster turnaround time.
- Delivered final assets according to project deadlines while supporting consistency in quality across all deliverables. Optimized real-time rendering performance of 3D assets, enhancing project efficiency, and reducing rendering time by one third.

LEGAL SECRETARY / ADMINISTRATIVE ASSISTANT FEBRUARY 2013 – AUGUST 2015
LAW OFFICE OF OLGA SKLYUT BROOKLYN, NEW YORK

- Organized and maintained 10K+ diary entries, journals, statistical data, and client files.
- Coordinated legal correspondence and ensured accurate filing of documents both physically and electronically.
- Managed case preparation for 35+ daily cases, supporting senior legal staff.
- Maintained 100 % client files by ensuring proper organization and accessibility of all relevant materials.

IT SUPPORT SPECIALIST SEPTEMBER 2005 – APRIL 2012
CROMTEL INC VITEBSK, BELARUS

- Diagnosed and resolved hardware and software issues for 6+ years.
- Set up equipment, installed systems, and ensured proper software configurations.
- Delivered exceptional support to 25+ customers, boosting productivity by 20%, and guided troubleshooting with diagnostic tools.
